WHO WE ARE

Welcome to RHINO The Tough One®, your trusted source in quality work boots. The brand was introduced into the marketplace in 1982 and with over four decades of experience in the industry, we have established ourselves as the brand people depend on for durability, affordability, and quality work boots.

RHINO The Tough One®, is synonymous with craftsmanship, durability, and functionality. These work boots are engineered to withstand the rigors of demanding work environments while offering comfort and protection. We also offer an array of private labels, carefully curated to cater to different market segments and preferences.

Our extensive product range includes safety toe boots, oil and slip-resistant footwear, waterproof options, and much more. The company takes pride in our long-standing relationships with wholesalers, resellers, and retailers.

We invite you to explore our catalog and discover the diverse range of work boots we offer. Together, let's enhance your business and exceed customer expectations with our quality, affordable, and durable work boots.

Thank you for considering Tikal as your trusted supplier. We look forward to serving you and building a mutually beneficial partnership.
